## ALPHA PHI IS GIVING FORWARD ON GIVING TUESDAY, NOVEMBER 28<sup>TH</sup>

As Alpha Phis we share an unbreakable bond that spans decades, time zones and continents. We've seen firsthand how generations of women have been forever changed, sisters empowered to pursue their wildest dreams, and alumnae remembered beyond their four years. For every Alpha Phi, there is a story of why she gives back to Alpha Phi.

We invite you this *Giving Tuesday* to celebrate all the reasons you support Alpha Phi Foundation—whether you've experienced the impact of leadership development, a scholarship, an assistance grant, or simply believe in the importance of heart health research and preserving our heritage.

*Celebrate with us by Giving Forward for Alpha Phi.*

All you have to do is 1) check a few (*or all*) items off the list, 2) snap a photo and 3) share on social media using the hashtag #APhiGivesForward!

*Mark your calendar and celebrate the gift of giving forward with us!*
