How to Complete Each Section

GRADUATION DATE

Indicate your anticipated graduation date from the degree program you will pursue during the 2019-20 academic year. Seniors applying for graduate scholarships should complete the graduate application and indicate their anticipated graduate school graduation date.

CUMULATIVE GPA

If your university uses a 4.0 scale to calculate GPA:

Enter your most recent cumulative GPA **based on a 4.0 scale**. Upload a PDF of the unofficial/official transcript that will confer/has conferred your most recent degree. The number entered as your cumulative GPA should match the GPA reflected in your unofficial transcript. Any discrepancies will result in a 0 for your GPA section.

If your university does NOT use a 4.0 scale to calculate GPA:

Enter your most recent cumulative GPA **based on a 4.0 scale**. It is your responsibility to convert your GPA to this scale. Upload a PDF of the unofficial/official transcript that will confer/has conferred your most recent degree. The GPA entered will likely not match what is reflected in your transcript, so please upload the official conversion scale provided by your university/college used to calculate your GPA entered.

First-semester undergraduate applicants:

Please submit your application after you receive your first-semester grades that will indicate a college GPA.

MAJOR FIELD OF STUDY

Enter your specific major/concentration.

MINOR FIELD OF STUDY

Enter your specific minor/concentration.

ACADEMIC HISTORY

List the post-secondary institutions where you have pursued academic credit. Indicate the university/college name and month/year you began and ended your attendance. If you are currently attending an institution, enter your projected graduation date as the ending date.

How to Complete Each Section

LEADERSHIP, VOLUNTEERISM AND ACTIVITY INFORMATION

List up to seven (7) Alpha Phi and non-Alpha Phi activities that best reflect your commitment to leadership, scholarship, and service. Activities can be any Alpha Phi, Panhellenic, campus, community and/or employment activities, civic involvement, and/or volunteer and community service. Your entries should reflect a variety of activities and involvement over the course of several years (if possible).

Include descriptive information in the activity title to provide as much context as possible for those evaluating your application. For example, instead of “Lady Knights,” be more descriptive with “Lady Knights Basketball Team.”

*Freshmen/first-year students: You are permitted to include high school activities, though college activities will be viewed more favorably, unless you’re still participating in an activity from high school (such as community service and similar activities).

HONORS AND AWARDS INFORMATION

List up to seven (7) honors and awards that best reflect your commitment to leadership, scholarship, and service. Honors and awards should be tied to any Alpha Phi, Panhellenic, campus, community and/or employment activities, civic involvement, and/or volunteer and community service. Your entries should reflect a variety of honors and awards and show demonstrated excellence.

Include descriptive information for each honor/award so those evaluating your application can understand the caliber of each achievement.

*Freshmen/first-year students: You are permitted to include high school honors and awards.

ESSAY

Answer the scholarship essay prompt. Your essay should be well-written, organized, and directly address the prompt. Minimum word count: 400; maximum word count: 500.

Choosing your References

For your application to be considered, two References (one Alpha Phi Alumna Reference and one Non-Alpha Phi Reference) must also submit complete recommendation forms via SmarterSelect. Alpha Phi Foundation will only accept recommendations submitted via the SmarterSelect forms by the March 1 deadline.

Enter your References' contact information into SmarterSelect and send the automated messages with links to the online recommendation form.

You can enter a new Reference's contact information and select "Re-send Recommendation or Information Request." - After your References have submitted their complete recommendation forms.
